How We Can Prevent the Digital World of *Nineteen Eighty-Four*

Economic Liberation vs Convenience and Corporate/Cultural Pressure

Surveillance is everywhere non-stop

The relationships between the producer and the consumer

Market economy

Alienation between the producer and the consumer. Instead of producing for another person, the worker produces for a wage.

Relational economy

Instead of producing work for a wage, a direct relation is produced to another person.

“It is difficult to get a man to understand something, when his salary depends on his not understanding it.”

— Upton Sinclair

This is still happening all over the world. What is our contribution?
